Chief's Report:

- Total Monthly Runs: 11, Medical 6, Fire 2, Public assist 1, Wire down 1.
- Both the fire fighters going through academy, Zack Filcek and David Lafavor have graduated the Fire I and Fire II program. They are now able to fight fires in a probationary level.
- All personnel that have taken medical courses except for 1 are now licensed. They can perform medical services within HTFD guidelines.
- Online licensing system no longer accepting paper applications, they are now going all digital and you will have to use the website for licensing.
- Live burn (flash over training) went well but some gear was damaged. Personnel attending recommended all fire fighters to attend a live burn like this soon.

Assistant Chief's Report

- No report

Old Business

- Roads are getting better but still need to be cautious when driving on roads being resurfaced.

New Business

- Mike received 3 quotes on carpeting, Everett \$2700, Supreme \$2400 Hershel \$2300, Everett carpet is offering us a premium carpet they had left over from another job and Chief will look more in to that carpeting for the meeting room. The bathroom will be remodeled by us when the time comes due to cost.
