## Tire Recycling Program

Prevention of Mosquitoes in Tires

Scrap tires create several issues. They are an environmental concern, a troublesome breeding ground for mosquito larvae and an eyesore. Midland County Mosquito Control and Midland Recyclers have joined together to help Midland County residents properly dispose of tires.

Spring Tire Collection	Fall Tire Collection
Saturday, May 11, 2019 (8 am to noon)	Saturday, September 7, 2019 (8 am to noon)
<b>Coleman Public Works</b> 108 Jackson St Coleman, MI 48618	<b>Midland Recyclers</b> 4305 E Ashman Street Midland, MI 48640

1. **You must have an appointment** to drop off tires. Call (989) 832-8677 and be prepared to give the following information: Name, address, phone number and the number of tires you wish to bring (up to 10).
2. For Midland County residents only. Picture identification verifying county address is required at drop off (10 tires per county address).
3. Resident's tires **without an appointment** will be taken only if there is room and individual will have to wait for an open time in the schedule to unload.
4. **Tires being accepted are:** Up to 10 passenger car size tires **without rims**. A limit of 10 tires per vehicle can be transported (this is the number of tires anyone can haul without requiring a scrap tire hauler registration).

Help prevent mosquitoes in tires by:

- Keeping tires indoors
- Cover tires with a tarp
- Dispose of tires without rims or with sidewalls unsealed from the rims
- Call Mosquito Control to request treatment
- If your township/organization is interested in conducting a neighborhood cleanup, please call 832-8677.
