## **Midland County Flooding Update: May 21, 4:00 p.m.**

### **Reporting Flood Damages**

Midland County Emergency Management now taking damage reports for the recent flooding in Midland County. If you are a homeowner, business or non-profit organization that has sustained any damage or loss as a result of the flood, please complete a report at <https://arcg.is/1H00aG>

The Midland Damage Assessment app was developed for people to self-report damage to their property. The app has several questions to help the Midland Damage Assessment team determine the extent of damage in our community. Once you click the link, you will be directed to a map. Enter the address and search for the damaged property. The app will zoom to the property if it is found and a pop-up box will appear. Link to the online form to report flood damage. It should not take more than 5-10 minutes to complete and submit the information.

If you do not have access to the internet, please contact 2-1-1 and they will assist you in completing the form.
