

Hope Township Road Commission Meeting

August 27, 2009

Hope Township Road Committee meeting

Committee members in attendance: Don Dice; Dennis Guthrie; Jim Hockemeyer; Elgin Childs

Open with the pledge of alliance to the flag

Topic: roads to be considered for 2010

Comment/question

Middle road that dead ends into Shearer - can we put rumble strips to indicate the end of the road; could you put a guard rail up; can culverts there be moved

Roads estimates that will be updated or generated

Hull Road (east of Stark)

- \$114,000 (2009 estimate)

E. Baker Road (between Stark and Dublin)

- \$107,000 (2009 estimate)

Curtis Road (reworked and paved)

- \$156,000 (2009 estimate)

If the 2009 road work estimates hold, we should have 18,000-21,000 going into 2010. Should start 2010 with ~\$145,000.

Suggestions from the floor:

- We should consider putting a seal coat on some roads to help them last longer

Next meeting will be October 29, 7:00 at the Firehouse . This meeting will be the time the final recommendations for the 2010 spending will come from the Road Committee which will go to the Township Board.

Meet closed at 7:45

People in attendance:

Andy Kobisa

1160 E. Curtis Road

Steve Wesche	909 Pequot lane
