· JoAnn Wilkie notified Treasurer, Starla Jordan, that the interest earned on the account was mistakenly put in the General Fund and needs to be put in the Special Fund account.

· PROJECTS ALREADY DONE FOR YEAR 2011: Leash Law and Reward signs are up, water samples taken for Health Department done and okay, gravel for driveway in, tractor and equipment is ready to go, inspection of swings, diggers, all ride on toys, play station for possible loose bolts or worn chains done, inspection of benches and picnic tables done, and new locks for garbage can chains bought. Thank you Jim Hockemeyer, Larry Maxwell, Don Dice and Andy Kobisa for all these things taken care of.

· NEW LIGHT - At this time, it was decided not to put in a new light pole and light. Don Dice mentioned the light to a police officer and the officer told Don that he felt in his opinion the lights only attract attention. Jim Hockemeyer suggested we table this indefinitely. If someone asks why and can state a valid reason as to why we need this light, then at that time we will review this topic again.

· SHINGLES: Was noticed there are loose shingles on the pavilions and buildings. Jim Hockemeyer to check and see if we need to re-shingle or if it just requires a few shingles to patch.

· GRANTS: Starla Jordan talked to Sarah Barrett at Meridian and was told they only deal with 8-12 disabled children in the district. Starla will continue with the information gathering for grant submission be it this year or next.
