#### Old Business

Grants – nothing

Annual Picnic – July 20, 2019

- Cover for the grill – John R. is unable to help with this but Cathie found some pictures on the internet that may work. Starla is going to ask her husband to look at them and hopefully we can get something going on this. Would be nice to have this done by our annual picnic.
- Food – Starla and Cathie will be doing that this year
- Gifts for Children – we will be sorting through what we have and picking up a few things if needed.

Projects for 2019 (recommendations)

- Finish old bathrooms – replace toilets, taking out the stall walls and painting. Putting in vents.

Work Day – this will be Saturday the 15<sup>th</sup> at 0900

Wear your painting clothes.

Also, there was a question about mulch. Starla is going to a meeting soon and will ask what other parks are doing in that department.

#### New Business

- Water usage policy  
We need to research this and then post something. One recurring theme is to post a policy whereby water usage is limited in volume, only to park users. There is a place on M-46 where there is some sort of device where one has to insert \$\$ for water. We will be checking into this as well.

#### Other Business

None

Motion made by Doug to adjourn, seconded by David

Meeting adjourned at 1951

Respectfully,  
Cathie J. Kisser, Secretary
