

Woodside Park Commission Meeting of 08.06.2019

1900 - Meeting called to order by Doug with the pledge to the flag

Commissioners present – Vice-Chair – Doug Shoffner, Treasurer – Starla Jordan and Secretary – Cathie Kissner  
Also present were our caretakers – Steve & Jill

There was no public present, thus no public comment

Review of last meeting minutes – Starla made motion to approve, seconded by Doug, minutes approved

Review of current treasurer's report – Cathie made motion to accept, seconded by Doug.

Pay bills authorization – Doug – yes, Starla – yes, Cathie – yes – bills will be submitted for payment

Old Business –

We have no current grants in the works

Annual Picnic – recap, Starla has an extensive list of items which will be typed up and presented at next meeting. Along these lines, we ask that the park be issued a credit card for use on park items vs. getting receipts and seeking reimbursement, etc.

We will be taking an inventory of what gifts for the kids are left – Starla and Cathie will do that at a later date.

Projects for 2019

Old bathrooms are still 95% finished

Doors need another coat of paint – with the other two doors needing paint as well so they match

Signs put on doors

Letter A needs put on Pavilion A – there is a letter there but it is an old one

Bottom line – we need another work day. A date will be chosen soon.

New Business –

Again – no grants in the works

Bulletin Board on Concession Building – needs installed, again need a work day

Old bulletin board has been removed.

Other Business –

Mowers – the big Bad Boy is back in service – finally

Steve has talked with the folks at Gene's in Coleman who sell Cub Cadet and X-mark lines – the X-mark is more expensive but most of the local landscapers use that model and if we replace the bigger of the Bad Boy mowers next year, the X-mark would be the one to look at.

We are also informed by Steve, through Jared, that Cendant will service any mower – they will come and get it, service it and return it to our site. Cathie made motion to have future service done by Cendant, seconded by Starla, motion carried. We will no longer need to deal with the entity who sold us the Bad Boy mowers.

Motion made by Doug to adjourn, seconded by Starla

Meeting adjourned at 1941.

Respectfully,

Cathie Kissner, Secretary

Woodside Park Commission
