### **Old Business**

Annual Picnic – decided to see how the state is doing at our next meeting. Still unsure how to handle social distancing, masks, etc. Will made decision at our next meeting on June .

Projects – we need to either mulch or sand playground equipment. Child's Feeds will charge us \$34.90 per yard plus a delivery fee. Starla checked with Midland Mulch – their fee is \$30 plus delivery. We also discussed getting sand from Cathie's property – not sure how to get it delivered. More on that later.

We also need to replace the pole building roof – will do steel – will need to get prices. The roof of pavilion B also needs replacing – will get prices for that as well. The pole building is the most pressing of the two.

Opening/Clean up – we missed our first work day but there remain things to get done.

There are some grills with rotten bottoms which need to be removed. We want to build another big grill like the one at pavilion B at pavilion A.

There are pieces parts of play equipment needing replaced

Next work day will be Saturday June 5 at 10 am – hotdogs for lunch.

Disc golf – Starla checked with Ask Midland and got responses from two fellows who are very much interested in helping with this venture. One willing to help with funding as in writing for grants and another who is willing to help design and lay out the course. Very promising and we are looking forward to more information at our next meeting.

### **New Business**

New Caretaker – we have only two applicants per se – one we got a business card and a note and the other sent us a true resume. At this point David excused himself and Starla, Cathie and Darlene discussed the two applicants. One of the applicants is on a list which makes him inappropriate for park work. The other – Daniel Yahr – knows the park, has been to every work day and helps where he can and actually sent us a resume. The three ladies made the decision to hire Daniel Yahr as our new caretaker.

Motion made by Doug to adjourn, seconded by Starla – meeting adjourned at 2013.

Respectfully,  
Cathie J. Kisser, Secretary  
Woodside Park Commission
