**Old Business**

The old Bad Boy - sold for \$2700 (top official web site bid) which will be applied to the cost of the new Exmark.

New Mower = is here - viewing opportunity available after meeting.

Projects - we don't have anything going on right now so think of things to have available in the park.

**New Business**

Pavilion use/abuse - we have pics of a homemade sign pinned to the post above the regular sign stating pavilion A was reserved for 07.04.2020. We also have pics of "after the fact" where there was lots of garbage which had been partially in the bins but some out where the critters could make a bigger mess. Very discouraging indeed. We talked about this and have decided to make an effort to police the park. Steve got the official reservations and read them off: For July - all pavilion B - reserved for the 11<sup>th</sup>, 12<sup>th</sup>, 18<sup>th</sup> and 26<sup>th</sup>. For August - we have pavilion A for the 1<sup>st</sup>, pavilion B for the 1<sup>st</sup>. Pavilion A & B for the 2<sup>nd</sup> and pavilion B for the 22<sup>nd</sup>. After tossing around ideas, those who live close and drive by the park will start driving through the park. David also spoke of making a sign to place in both pavilions stating something along the lines of "if you fill both bins, please make sure you take excess to the dumpster" and also leave the number to call to reserve a pavilion. Self reservation is not an option. Of course, we encourage people to use our beautiful park. Bring a picnic and use one of the tables throughout tee park, or even in the pavilions if not in use. Just clean up your mess. You can drive right up to the dumpster.

**Other Business -**

There was none.

Motion made by Doug to adjourn, seconded by Jared. Meeting adjourned at 1921

Respectfully,

Cathie Kisser, Secretary - Woodside Park Commission
