Minutes from the last meeting were reviewed. Starla made motion to approve, seconded by David. Minutes approved.

Reviewed the treasurer's report - motion to accept made by Cathie, seconded by Doug. Report on file.

There were a few bills to be paid, motion made by Starla, seconded by Cathie to pay the bills. Roll call - David - yes, Doug - yes, Starla - yes, Cathie - yes. Bills will be submitted for payment.

**Old Business** - not too much going on right now. The new Exmark mower is now paid for.

Steve gave us a note from a thankful pavilion user - who cleaned up after his gathering. We really appreciate folks like this one. Starla will keep the note for future grant proposals.

**New Business** - Steve asked for a hedge trimmer - this will be the same brand and use the same battery as other tools we have. Permission granted as it is less than \$200.

**Other Business** - There was a question asked whether the park would be able to help pay for a gazebo mostly paid for by a family. While budget is close this year, this request is tabled until next year. The family doing the gazebo is researching options as far as design and has a builder from the township in mind to do the work. More later.

On the pavilion reservation form for 2021 we will be placing a time slot needed - i.e. when to have pavilion ready - early afternoon or early in the morning. We also will need for figure out a way to confirm reservation and/or cancellation. More on that later as well.

Motion made by Doug, seconded by Starla. Meeting adjourned at 1917.  
Next meeting will be Tuesday, September 1, 2010 at 1900 at the park.
