Old Business

Opening of the park - this happened on April 18

There was a cleaning of the park on **Aril 18** with Daniel, Doug and David participating.

Daniel has been picking up trash and has been cleaning

Disc Golf update - we are exploring prices for equipment

Picnic - There have been messages left for face painting person and potential car show. We have a band lined up and two speakers. We will be researching prices for food which will be abbreviated for this years picnic.

New Business

Budget - see handouts

Park Reservations and checks - further exploration taking place.

Clean Up Day - we have been informed we can have Meridian High School students participate on May 20th so that will be our next work day. Time TBD

ARPA update - see attached

Grant update - Starla informs us we have a check from the baseball people for a tot lot - we will need to come up with **\$15000** to complete that purchase.

Woodside Park Commission Meeting of 05.02.2022 Continued

Cathie has contacted a couple of playground equipment suppliers - one is here in Michigan. She will contact the person and see if he can give us prices for handicap swings and replacement of other swings.

Starla spoke with someone about ADA recommendations coming in future - we will need to install an adult changing table in the new bathroom by 2024.

Other Business

There are some problems with the sinks in the new bathroom - Cathie will contact Matt Lind to see who did the plumbing and get back to David with that information.

Doug made motion to adjourn, seconded by Cathie meeting adjourned at 2015

Respectfully,
Cathie J. Kissler, Secretary

ARPA meeting

There was confusion about switching from replacing slides to a new tot lot. Now the suggestion is made to get more prices for slides - maybe stand alone slides and taking the old ones off entirely - and replacing swings that have been damaged with new baby buckets and look into handicap accessible swings

The township is looking into getting cameras installed at the hall and wonder if we may want to place a camera at the barn at the park to maybe watch for activity on the disc golf course.

There is a notion of getting internet at the cemetery chapel so that cameras there can be hooked to internet. Suggestion to go half between park and cemetery for cost of internet.

I asked for information from three sources for playground equipment. Have heard from two (not Miricle - they have confirmed that I requested a catalog but I have heard nothing since then. The other two sources got back to me within days. One of them is based in Holland, Michigan.

I have spoken to Michael Sampson about an estimate to update the second ball diamond so that it looks better, like the big one. Have not heard back from him yet.
