Budget - we reviewed this proposed budget

Disc Golf - there was much discussion about this, evidently the course needs to be re-designed. A possible name for the course is Raptor Roost. **CORRECTION** - SECRETARY HEARD Raptor Roost but Blane said Raptor Root. We discussed the renting of equipment for removal of stumps, brush, etc. More on this later.

Cathie presented a letter to area business to ask for patronage in support of building the disc golf course. We do have the funds raised by the wood cutting but these funds have been specifically earmarked for building and maintenance of said course.

There are two lights out on the restroom building, Cathie will contact the electrician who installed them.

Moving of gate - discussed leaving the present gate where it is and looking into metal cattle gate to block driveway closer to the walking path.

Need to install posts along the off road parking with rope like what is beside the sidewalk.

This year's park picnic will be Saturday, July 15<sup>th</sup>.

We will be looking into a furnace or some sort of heating system for the restroom building  
Explore a millage for park

Grants - there are none at this time.

Improvements - Starla suggested more activities to have at the park, Cathie also had some ideas and it was suggested we appoint someone to be in charge of these activities. Darlene was asked and has agreed to do this with assistance from Starla and Cathie.
