### **Old Business**

Disc Golf - clean up continues

Park lights - Gail Baldwin has been out to look at lights and is working on getting them repaired.

Posts - until the wooden posts can be purchased and installed, the metal posts will stay in place

Furnace - we have one bid. We will need to insulate the attic which will be more money.

Suggestion was to compare cost of installing insulation and furnace with porta-potty for the winter park use

Millage - this will take some research and a package will need to be put together in future for this to happen

Added to this discussion regarding the millage was a raise for park commissioners of 3%. We did a roll call - Darlene - Yes, Doug - Yes, Starla - Yes, Cathie - No, David - Yes

### **New Business**

10 meetings per year - this will be recommended to the township board

Cendant - we have been using this business to service the mowers but it is under new management. They could not find any records on the park. Very frustrating so will be exploring other options for servicing the mowers

ARPA - no recent meetings, there is one scheduled for June 19<sup>th</sup>

Grants - none are open yet

Park Event Coordinator - We have signs for four of the events. There are 8 signed up for the Rent a Spot - Sell What You Want sal.

Other Business - there was no other business

Motion made by Doug to adjourn, seconded by David - all were in favor.

Respectfully

Cathie Kisser, Secretary - Woodside Park Commission
