

Woodside Park Commission Meeting of Tuesday, January 2, 2024

Meeting called to order at the Hope Township Hall at 1900 with the pledge of allegiance to the flag.

Roll Call - Darlene - here, Doug - here, Starla - here, Cathie - here and David - here.

Public Comment - Two things of concern

1 - Many of the disc golf holes appear to either be too close or even cross the walking path. This is a serious liability to our walkers and will need to be looked into. May need to move some baskets.

2. An individual was locked in one of the bathrooms. Needed assistance from the fire department to get the door unlocked. All bathroom doors are now locked.

Review of previous meeting's notes - Motion made by Starla to approve, Seconded by Darlene, all were in favor of acceptance.

Review of treasurer's report - Motion made by Cathie to file, seconded by David with roll call as follows: Darlene - yes, Doug - yes, Starla - yes, Cathie - yes and David - yes.

Motion made by Darlene to authorize paying bills, seconded by Doug with roll call as follows: Darlene - yes, Doug - yes, Starla - yes, Cathie - yes and David - yes.

Old Business:

Disc Golf Update

Two contractors have done clean up

Mr. Marsh to complete another day

Posts for around the off road parking

David states will re-look at this in the spring

Bleachers

Materials are in the pole barn and will be a spring project. The paint is on hand and the ladies will begin painting as soon as the weather is warm enough.

New Business

Election of Officers - Starla made motion to keep officers as is, seconded by Darlene with all in favor.

2024 Budget - we each were given a copy of a budget to look over

Future Projects - pickle ball court - the township board has already approved ARPA funds for this project. There was discussion of where to put it. Some wanted to use the area where there is currently a volleyball court which rarely is used. Want to keep the volleyball court so will look at southeast from the bathroom building.

ARPA - as the pickle ball court is being gifted to the park via the township the ARPA funds are completely used. Thank you to our supportive township board.

Grants - there are none at this time.

Park Event Coordinator - Darlene will continue as event coordinator

Many of the restroom doors do not lock correctly or unlock correctly. As the pickle ball **peeps CORRECTION - committee** will be meeting with Mr. Randall of A & D Construction on Wednesday, they will ask him to take a look and give us a bid.

No other business so Doug made motion to adjourn, seconded by Starla and all were in favor of adjournment at 2006.

Respectfully

Cathie J. Kisser, Secretary
