Old Business

Disc Golf - we have a bid for cleaning the mess in the woods. This will be well over \$5,000 per acre and we would need at least 5 acres cleared. There is not enough money left to do this, plus do cement pads for tees and overall maintenance of the disc golf course. After much discussion, Cathie made motion to discontinue the disc golf project and ask the township board to use the woods money for other projects. This motion was seconded by Amy with roll call as follows: Bob - yes, Darlene - yes, Starla - yes, Cathie - yes and Amy - yes.

Pickleball - forms are in. Discussion on how high the fencing needs to be - 8 to 10 feet. This will be investigated further.

Posts for the north side of the off road parking. We have spare cement bumpers so will use those instead of posts.

Bleachers - These are almost finished!!!!

Budget - we need to keep a close eye on the budget.

Track distance markers - Amy and her husband will take care of this.

Ship staining project - is there an inclement weather plan? Bob assures us it will get done either way.

New Business

Park pavilion rental form - we reviewed the current form, need to merge with contract used to rent the township hall. Amy and Cathie will work on that.

Groundskeeper job duties - Amy made motion to approve duties, seconded by Darlene - all were in favor.

New locks for bathrooms and stall enclosures - rather than using dead bolts, we will look into using a sliding mechanism that is reachable by all. Motion made by Amy to move forward with this,, seconded by Darlene. All were in favor.

New flag - Amy is purchasing a new flag and we will be exploring either new bulbs for light or a new light for the flag.

New volleyball net - there is a rip on the bottom of the net, Cathie will check and see if it can be re-sewn.

Other Business

Rita brings to our attention that all forms and contracts need to be filed with the township clerk. This includes grant proposals, contracts for work done at the park, etc.

Motion made by Darlene to adjourn, seconded by Amy, all were in favor. Meeting adjourned at 9:05 p.m.

Respectfully,
Cathie J. Kisser, Secretary
